

Consume. Don't Emit !

REAP THE MAXIMUM OUT OF SUN !

Innovative. Aesthetic. Efficient.

"The world is powered By-Sun."

[Click Here For
ISO Certificate](#)

Electric PVT LTD consists of young entrepreneurs eager to avail the optimum solution for customers' renewable needs. The company puts constant efforts into creating unique and decadent solar power plants and providing aesthetic solar solutions through design consultancy. In Collaboration with globally renowned technology providers, the team at Bisun Electric is ready to serve Residential, Commercial, NGO, and Industrial clients.

VISION

To be a world/global leader in innovative solar energy provider, E-Vehicles Seller and to show the world that humanity and nature can stay in harmony with each other.

MISSION

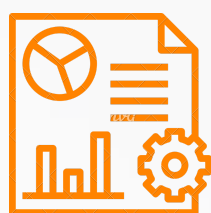

To spread awareness about the potential of solar power and E-Vehicles. To help customers to reap maximum benefits from the sun. To provide technology solutions which are light on customer's wallet and environment as well.

SERVICES

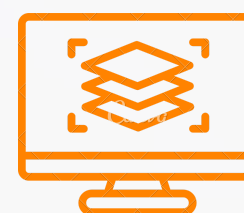

- **Solar Power Plants**
